Intakes on October 5 and February 8.

Master in Business Administration in the two Rome

ONE YEAR FULL IMMERSION MBA WITH CREATIVE LABS ON THE MADE IN ITALY

5 GOOD REASONS WHY TO APPLY

- You will join a unique program born from the collaboration of BAU Graduate School of Business with the Italian Agency for Microcredit, with hands-on creative labs focused on the Made in Italy brand, Italian micro-Multinationals, social finance, lean strategy, business start-up, internationalization and re-design, "from Zero to Market"
- You will study, work and travel for one year in Rome and Istanbul, learning how to create, transform and internationalize your business, thanks to the ongoing exposure to the BAU and Microcredito networks of companies, mentors and entrepreneurs.
- You will experience in Rome the creativity, innovation and entrepreneurial spirit that make the **MADE IN ITALY** a

premium brand all over the world; in Istanbul, the city where EAST meets WEST, you will realize the unique blend of traditions, cultures and business practices that make so dynamic the Turkish economy.

- You can get funds and credit facilities to launch your business in the international arena, particularly in Turkey and Eurasia, thanks to the collaboration of BAU with the Italian Agency for Microcredit.
- Either if you are already enrolled in another Master program or you are already an experienced and skilled professional in your field of interest, you can choose to attend only the lab session and apply with the final project for funds and credit facilities to launch your business in the international arena.
